RE: Richard B. Colletti
Chapter 13
Case No: 16-35143(cgm)

Your Honor:

I am writing this letter as a "Status Update" with respect to the pending Loss Mitigation between the Debtor and his mortgage holder. The next date for Loss Mitigation has now been adjourned from May 8, 2018 to June 19, 2018 at 9:30am.

On May 2, 2018 we received an email directly from SN Servicing Corp advising that they were now servicing the Debtor's mortgage. We thereafter received notice from DavidsonFink that the mortgage company had recently switched mortgage servicers from Shellpoint Mortgage to SN Servicing Corp. As a result, SN Servicing Corporation is requesting an entirely newly completed package to be submitted by the Debtor. All documentation that had previously been submitted to the bank's prior loss mitigation representatives has now been rendered stale.

The Debtor is in the process of completing a new package and obtaining all newly updated financials and quarterly profit and loss reports for his business.

Respectfully,

/s/ Richard Scott Zirt
